

# Landslide

Fleetwood Mac ©1975

I took my love, I took it down  
Climbed a mountain and I turned around  
And I saw my reflection in the snow-covered hills  
'Til the landslide brought me down

Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
Can I sail through the changing ocean tides?  
Can I handle the seasons of my life?

Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes you bolder  
Even children get older  
And I'm getting older, too

Well, I've been afraid of changing  
'Cause I built my life around you  
But time makes you bolder  
Even children get older  
And I'm getting older, too  
Oh, I'm getting older, too

Oh, take my love, take it down  
Oh, climb a mountain and turned around  
And if you see my reflection in the snow-covered hills  
Well, the landslide will bring it down  
And if you see my reflection in the snow-covered hills  
Well, the landslide will bring it down  
Oh, the landslide will bring it down

Reflect on the seasons of your life...
